Representing manufacturers offering products with a perceptible advantage for the coordination of lighting with architecture

***Acuity Brands** the leading provider of lighting & controls
Albeo Technologies LED highbay solutions, task, cove
Altman theatrical, track, display
***American Electric** roadway, utility, department of transportation
***Antique Street Lamps** cast iron/aluminum poles, vintage post-top
Axis performance architectural recessed & linear
Barbican custom fabrication
Barron emergency, commercial, industrial and LED
Bartco miniature fluorescent, display, cove, LED
Bodine emergency fluorescent, LED & HID inverters
Brownlee energy star, fashionable & affordable
Canplas/Canlet non-metallic, vapor tight, marine
Celestial LED & fluorescent cove, low voltage, display
Con-Tech track, recessed, glass pendants & low voltage
Custom Metalcraft local custom fabrication & restoration
***Dark to Light DTL** energy conservation photo controls
Delray architectural, decorative industrial & downlights
Designplan decorative, exterior, vandal resistant, LED
EcoSense performance white light LED & cove
EELP affordable, emergency, exterior, floods
electricx structural cove, strips, linear LED
elliptipar high performance asymmetric lighting
Everbrite graphic panels, MRI, LED
EYE high performance lamps
Focal Point high performance innovative designs
Fraqtir performance LED cove
***Gotham** downlighting, cylinders, pendants, LED
Hampstead glass sconces, chandeliers, decorative
Healthcare medical, bed lights, surgical, MRI
***Hydrel** performance landscape, in-ground, LED
iGuzzini euro-style track, pendant, LED, exterior
Intense downlighting, track, exterior
Kenall healthcare, institutional, high abuse, correctional
Kurt Versen downlighting, recessed, surface, atrium
KW Industries steel poles
Laterna Danica decorative pendants, sconces, outdoor
***LC&D** digital lighting control systems, panels
Lehigh theatrical and architectural dimming controls
Lighting Science Group LED lamps, area, roadway
Litecontrol architectural linear direct/indirect fluorescent
***Lithonia** commercial, industrial, emergency
LSI track systems, museum, LED
Luca Light LED library stack lighting specialists
Lumenpulse LED specialty, cove, wall-grazing, floods
Lunera LED recessed ceiling & linear pendant
LUX dynamics fluorescent, large spaces, direct, indirect, direct/indirect
***Mark Architectural** architectural recessed fluorescent & LED
Metrolight HID electronic ballasts
Myers Power Products emergency lighting & inverters
National Cathode UL cold cathode, high lumen & curved
Nine 24, Inc. emergency bypass relays
Paramount hazardous, wet location, clean room, transit
***Peerless** performance architectural linear fluorescent

Phoster down lighting, linear, retrofit, custom installations LED
Reggiani precision recessed, variable aperture, LED
***ReLoc** modular wiring solutions
Relume post top, garage, roadway
***Renaissance** LED downlights
Renova utility rebate fixtures & retrofit kits
***ROAM** remote streetlight monitoring solutions
Roberts Step-Lite low voltage, coves, miniature strips
Schreder contemporary, architectural exterior, DOT, LED
Se'lux linear pendant, recessed extrusions, exterior
***SensorSwitch** occupancy, daylighting controls
Sirius european glass, curved track, LED
Sistemalux euro-style recessed & pendant multi-lamp, decorative
Specialty recessed, accent, picture lights, cove
Spectrum commercial downlighting, cylinders, RLM, LED
Strong theatrical, spotlights, follow-spots
Sun Valley cast aluminum, traditional exterior
***Synergy (controls)** low voltage switching, controls
Tambient furniture integrated task ambient systems
***Tersen** pedestrian scale architectural outdoor
Traxon scalable, entertainment and architectural LED lighting
US Architectural architectural exterior styles, LED
US Pole steel & aluminum pole
USA Illumination performance downlighting, LED
V2 Lighting custom installations, modern design, unique fixtures
Visa architectural pendants, sconces, LED
Voigt extruded pendant, industrial
Waldmann precision task, contemporary fluorescent
WE-EF euro-style performance exterior
***Winona** custom, sconces, pendants, LED

Controls Dimming, Day lighting, Occupancy

Acuity Brands Controls

- **LC&D** digital lighting control systems, panels
- **ROAM** remote streetlight monitoring solutions
- **Sensor Switch** occupancy & daylighting controls
- **Synergy** low voltage switching controls
- e:cue** state of the art control systems, panels
- Lehigh** theatrical and architectural dimming controls

LED Specialists

- Albeo Technologies** LED high-bay solutions, task, cove
- Celestial** LED & fluorescent cove, low voltage, display
- Ecosense** performance white light LED & cove
- Fraqtir** asymmetric performance, cove
- Lighting Science Group** LED lamps, area, roadway
- Luca Light** LED stack lighting specialists
- Lumenpulse** LED specialty, cove, wall-grazing, floods
- Lunera** LED recessed ceiling & linear pendant
- *Renaissance** LED downlights
- Relume** post top, garage, roadway

Induction

- *Lithonia** available with induction technology
- Spectrum** wide variety of induction styles

Emergency

- Bodine** emergency fluorescent inverters
- Barron** emergency and EXIT LED signs
- EELP** emergency exits, battery units
- *Lithonia** emergency exits, battery units
- Nine 24, inc.** emergency override relays, BLTC
- Kenall** exits
- Myers Power Products** emergency inverters including CMH

Retrofit & Re-lighting for energy reduction

- Albeo** LED highbay solutions, task, cove
- Delray** architectural, decorative industrial & downlights
- *Lithonia** efficient commercial & industrial, retrofit kits
- Lunera** LED ceiling & linear pendant
- Relume** LED garage & street lighting
- Renova** utility rebate fixtures & retrofit kits
- Spectrum** commercial downlighting, cylinders, retrofit kits

Energy Star Listed Product Manufacturers

www.energystar.gov

- Brownlee**
- Con-Tech Lighting**
- Focal Point**
- Lithonia Lighting**
- Kenall**
- Renaissance**

Utility Rebate Resources

Offering Quick Ship

- *Antique Street Lamps** cast-iron/aluminum poles, vintage post-top
- elliptipar** high performance asymmetric lighting
- Focal Point** 5 & 10 day architectural designs
- *Gotham** downlighting, cylinders, pendants, LED
- Kenall** healthcare, institutional, high abuse, correctional
- *LC & D** digital lighting control systems, panels
- Litecontrol** architectural linear direct/ indirect fluorescent: Litespeed
- *Lithonia** commercial, industrial, emergency
- LSI** track systems, museum, LED
- *Peerless** performance architectural linear fluorescent
- Se'lux** linear recessed extrusions: M series Quick Ship
- Sun Valley** cast aluminum traditional exterior
- US Architectural** steel poles, HID site lighting
- Visa** architectural pendants, sconces, LED (XPS program)

Exterior

- *American Electric** roadway, utility, department of transportation
- *Antique Street Lamps** cast-iron/aluminum vintage post-tops
- Canplas/Canlet** non-metallic – vapor tight, marine
- *Dark to Light DTL** energy conservation photo controls
- Designplan** decorative, exterior, vandal resistant, LED
- elliptipar** high performance asymmetric lighting
- *Hydrel** performance landscape, in-ground, LED
- iGuzzini** euro-style exterior, LED
- Intense** stainless steel, surface & recessed exterior
- KW Industries** steel poles
- Laterna Danica** Danish designs, decorative exterior
- *Lithonia** performance site & LED area
- Lumenpulse** LED specialty, cove, wall-grazing, floods
- Noral** vintage post top, euro-style, wall sconces
- Relume** roadway, utility, department of transportation
- *ROAM** remote streetlight monitoring solutions
- Schreder** contemporary, architectural exterior, DOT, LED
- Se'lux** performance site, bollard, solar, landscape
- Sistemalux** architectural exterior, floods
- Sun Valley** cast aluminum, traditional exterior
- *Tersen** pedestrian scale architectural outdoor
- Traxon** dynamic, color changing façade & media solutions
- US Architectural** architectural exterior styles, LED
- Visa** architectural pendants, sconces, LED
- WE-EF** euro-style performance exterior
- *Winona** custom, sconces, pendants, LED

Medical & Laboratory

- Kenall** sealed, operating, exam, patient room
- Healthcare** medical, bedlights, surgical, MRI
- Paramount** hazardous, wet location, clean room, sealed
- Litecontrol** patient room, corridor, bed light
- Kurt Versen** high intensity focused exam light

DIRECTIONS:

FROM SOUTH/WEST: Take Rt. 93N into the new tunnel to Exit 23, Bear left at the top of the ramp. Take next left onto Surface Rd. Take left at second set of lights onto Atlantic Ave: Commercial Wharf is on the right next to Joe's American Bar and Grille.

FROM NORTH: Take Rt. 1 or 93 South to Exit 24A (Gov't Center). Take left at the top ramp onto Surface Rd. Take left at second set of lights onto Atlantic Ave: Commercial Wharf is on the right next to Joe's American Bar and Grille.
